Deerbrook Home Owners Association Newsletter

March 2012

General Membership Meeting is scheduled for **Monday May 7th** at 7 p.m. at 1384 Rustlewood Court. Please bring a chair.

This is your invite to the general membership meeting -- especially if you have suggestions for changes to DHOA. If you think you'd like to serve on the Board, now is the time to say so. We need to elect new officers, and it's time for some really NEW ones!

Spring Yard Sale has been set for **Saturday April 28** from 9 a.m. to 2 p.m. We put up the signs; you put out your stuff. We hope it'll be good weather to walk around and shop.

Volunteers and Officers Needed
The DHOA has had a long run with a lot of the same officers coming back for repeat terms. If you had specific suggestions or complaints on your survey, we'd very much like you to run for HOA office! We need new ideas and feedback. You can ease in as a Board Member while you learn about the community. Call any Officer if you want more info.

Check your front

Our covenants require that everyone store their trash cans out of sight of

the road. Please don't leave them in front or out to the side – find a bush to put them behind, or store them in the garage or behind your house. The neighborhood will look better for it, and that can only help our property values.

Gwinnett outdoor burning

Burning of yard waste is allowed during some days of the week until April 30, with specific restrictions (Mon-Sat daylight hours only, under close supervision, at least 50 ft. from structures, small fires only, and not on windy days, wet days, and other special situations). Check before you light up to be sure it's a burn day, at www.gwinnettfiremarshal.com. **To report unlawful burning, call 678.518.4980, or dial 911.**

Crime Watch

There have been several burglaries near the neighborhood since our November report, one actually on Timber Glen and another on Wheatley. Please check your security systems, get to know your neighbors (especially those who are at home during the day), and watch out for each other.

If you'd like to track reported crimes, visit crimemapping.com and choose

our county, then click "Receive crime alerts" on the top bar of the page. They'll email you 2 or 3 times a week as crimes are reported in the vicinity you choose.
