Deerbrook Home Owners Association Newsletter

Fall 2010

Luminary lighting set for dusk on **Sunday, December 12**. Rain/wind date 12/19. Pick up supplies and drop off dues between 1 and 5 p.m. Sunday 12/12 at 4015 Windhurst Ct.

The General Meeting on Saturday October 16th was fun! We now have a new contractor keeping the front entry clean, trimmed, and cut. Southern Land Care Unlimited, owned by DHOA resident Jackie Trube, took over in November. We also have 3 new volunteers distributing newsletters – welcome Yasin Muhaimin, Elton Thomas, and Jackie Trube to the elite group of DHOA members who leave newsletters in / on your mailbox.

Streets and gutters: Residents are responsible for cleaning the gutters and street that adjoin their property. Roadside gutters must be kept clear at all times to allow for the free flow of rainwater. And, if a storm drain is on your property, it is your job to keep it clear as well. Anyone blowing leaves should blow them away from rain gutters and storm drains.

Curbside recycling: We've found out more about what they *can't* use.

You **cannot** recycle any kind of Styrofoam at curbside. **No** carry-out cups or containers, **no** packing peanuts or polystyrene ice chests.

No light bulbs, mirrors, windows, broken glass, ceramics, or dishes.

No waxed cardboard or foil-lined cartons – no juice boxes or ice cream cartons.

No plastic bags or plastic film; the only plastics allowed are numbered containers that held non-toxic stuff.

No plastic-coated or foil lined paper (such as fancy wrapping paper).

You can recycle: plain paper, cardboard, paperboard, books, catalogs, magazines, aluminum cans, steel cans, numbered plastics, and clear glass of all colors. Questions? Call Waste Pro at **770.777.1447**. (To learn to recycle things that can't go in the curbside bins, check online at earth911.com.)

Crime and Wildlife Watch: No crime reports, but coyotes and foxes have been spotted. Watch out for your pets – coyotes hunt in packs.

Outdoor Burning: Don't be fined or ticketed. Read Gwinnett County's restrictions before you light!

Newsletter Announcements: contact Patricia Yeargin at yeargin2000 AT yahoo.com, or call 770.923.2823.

Upcoming newsletter special: Preventing & dealing with lost pets.
